In the midst of this chaos, nurses like Amy O'Sullivan worked tirelessly to save lives. In her new book, *COVID-19 Through the Eyes of an ICU Nurse in NYC*, O'Sullivan shares her harrowing and hopeful account of the pandemic from the front lines.

O'Sullivan's book is a powerful reminder of the human toll of the pandemic. She writes about the patients she cared for, some of whom survived and some of whom did not. She also writes about the impact of the pandemic on her own life and the lives of her colleagues.

Despite the challenges, O'Sullivan's book is ultimately a story of hope. She writes about the resilience of the human spirit and the power of compassion. She also writes about the importance of community and the need to come together in times of crisis.

*COVID-19 Through the Eyes of an ICU Nurse in NYC* is a must-read for anyone who wants to understand the human toll of the pandemic. It is a powerful and moving story that will stay with you long after you finish it.
