If you are a teenager who is looking for a way to make sense of the world around you, Ching for Teens is the book for you. It will teach you how to

use the I Ching to make decisions, understand yourself, and connect with your inner wisdom.

How to Use the I Ching

The I Ching is a simple oracle to use. It consists of 64 hexagrams, each of which is made up of six lines. To use the I Ching, you simply need to focus on a question or issue that you are facing, and then toss three coins six times. The results of the coin tosses will give you a hexagram, which you can then look up in the book to find its meaning.

The I Ching can be used to answer a wide variety of questions, from simple questions about everyday life to more complex questions about your life path and destiny. It can also be used to gain insights into your personality, relationships, and career.

Ching for Teens includes many examples and exercises to help you learn how to use the I Ching. The book also includes a glossary of terms and a list of resources for further study.
