Written by renowned golf instructor and author John Smith, "Easy Bogey" provides a comprehensive and easy-to-follow roadmap to golf improvement. It's packed with proven strategies, expert insights, and practical exercises that will help you develop a more consistent and effective swing, improve your course management, and ultimately shave strokes off your score.

## Chapter 1: Fundamentals of a Solid Golf Swing

The foundation of a great golf game lies in a solid swing. In this chapter, you'll learn:

- The proper grip and stance for optimal swing mechanics
- The biomechanics of a powerful and repeatable swing
- Common swing flaws and how to correct them

## Chapter 2: Mastering the Art of Putting

Putting accounts for nearly half of all strokes in a round of golf. In this chapter, you'll discover:

- The secrets to a consistent and accurate putting stroke
- How to read greens and adjust for slope and break
- Effective techniques for distance control

## Chapter 3: Course Management for Smarter Golf

Knowing how to play the course is just as important as hitting good shots. In this chapter, you'll gain insights into:

- Course strategy and how to plan your shots
- Hazard avoidance techniques
- The importance of shot selection and risk management

## **Chapter 4: Mental Game Mastery**

Golf is a mental game as much as it is a physical one. In this chapter, you'll learn:

- How to overcome negative thoughts and build confidence
- Visualization techniques to improve your focus and performance

- Pre-shot routines and strategies for managing pressure

## Chapter 5: The Path to Breaking 90

In this concluding chapter, you'll put all the lessons together and create a personalized plan for breaking the 90 barrier. You'll learn:

- How to set realistic goals and track your progress

- The importance of consistency and practice
- The mindset and habits of successful golfers
