But maybe you're thinking, "I don't know anything about podcasting." Or, "I don't have the time." Or, "I'm not sure if anyone would be interested in what I have to say."

If that sounds like you, then this book is for you.

In *Everybody Has a Podcast Except You*, veteran podcaster and author Dave Jackson provides everything you need to know to start and grow your own successful podcast. From choosing the right equipment to creating

compelling content, Dave covers it all in his signature friendly and approachable style.

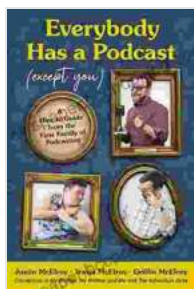

Here's a sneak peek of what you'll learn inside:

- How to choose the perfect topic for your podcast
- What equipment you need to get started (and how to get it on a budget)
- How to create compelling content that your audience will love
- How to market and promote your podcast
- How to grow your audience and build a community

Whether you're a complete beginner or you've been thinking about starting a podcast for a while, this book is your essential guide. Dave will help you overcome your fears, avoid common mistakes, and create a podcast that you're proud of.

So what are you waiting for? Everybody Has a Podcast Except You is the only book you need to start your podcasting journey today.
