Our Two Tone Sock Knitting Pattern is knit in the round from the toe up. This means that there is no need to sew any seams, which makes it a great project for beginners. The pattern also includes instructions for both a plain and rib stitch version of the socks, so you can choose the style that you like best.

What You'll Need

To make a pair of Adult Two Tone Socks, you will need the following materials:

- One skein of sock weight yarn in your main color
- One skein of sock weight yarn in your contrast color

- Size 2 (2.75mm) circular knitting needles, 40 inches long
- Size 2 (2.75mm) double-pointed needles, 4 inches long
- Tapestry needle

Instructions

To make a pair of Adult Two Tone Socks, follow these instructions:

Toe

1. Using your circular needles, cast on 60 stitches in your main color.
2. Join the stitches in the round, being careful not to twist them.
3. Knit 12 rounds in stockinette stitch (knit 1 row, purl 1 row).
4. Begin the toe decreases by knitting the first 10 stitches, then knitting 2 stitches together. Repeat this sequence around the round (30 stitches total).
5. Knit 2 rounds in stockinette stitch.
6. Repeat step 4, twice more (15 stitches total).
7. Knit 2 rounds in stockinette stitch.
8. Using your tapestry needle, thread the end of the yarn through the remaining 5 stitches and pull tight to close the toe.

Heel

1. Using your double-pointed needles, pick up 30 stitches around the toe opening.
2. Join the stitches in the round, being careful not to twist them.

3. Knit 15 rounds in stockinette stitch.
4. Begin the heel flap decreases by knitting 2 stitches together, then knitting the next 13 stitches. Repeat this sequence around the round (25 stitches total).
5. Knit 2 rounds in stockinette stitch.
6. Repeat step 4, twice more (15 stitches total).
7. Fold the heel flap in half and knit the stitches together across the back of the heel (15 stitches total).

Leg

1. Using your double-pointed needles, pick up 30 stitches along the sides of the heel flap.
2. Join the stitches in the round, being careful not to twist them.
3. Knit 15 rounds in stockinette stitch.
4. Switch to your circular needles and knit 40 rounds in stockinette stitch.
5. Switch to your double-pointed needles and knit 15 rounds in stockinette stitch.
6. Begin the cuff decreases by knitting 2 stitches together, then knitting the next 13 stitches. Repeat this sequence around the round (25 stitches total).
7. Knit 2 rounds in stockinette stitch.
8. Repeat step 6, twice more (15 stitches total).
9. Using your tapestry needle, thread the end of the yarn through the remaining 5 stitches and pull tight to close the cuff.

Finishing

1. Weave in the ends of your yarn.
2. Block your socks to help them keep their shape.
3. Enjoy your new socks!

Tips

- If you are new to sock knitting, I recommend starting with the plain stitch version of the pattern. The rib stitch version is a little more challenging, but it is still a good choice for beginners.
- Be sure to use a sock weight yarn for your socks. This type of yarn is designed to be durable and comfortable to wear.
- If you are not sure what size of sock to make, measure your foot from the heel to the toe. Then, add 1 inch for ease.
- If you want to make your socks even more durable, you can reinforce the toe and heel with a second layer of yarn.

Our Adult Two Tone Sock Knitting Pattern is a fun and easy way to make a pair of beautiful and comfortable socks. With a little bit of patience and practice, you can create a pair of socks that you will love to wear.
