This book provides expert explanations for every Logical Reasoning question from every official LSAT Pretest. With this comprehensive guide, you will learn the skills you need to:

- * Understand the different types of Logical Reasoning questions
- * Identify the key elements of each question
- * Develop a strategy for answering each type of question
- * Practice your skills with hundreds of practice questions

What's Inside

This book is divided into two parts. The first part provides an overview of the Logical Reasoning section of the LSAT. You will learn about the different types of questions, the key elements of each question, and the strategies you need to answer each type of question.

The second part of the book contains hundreds of practice questions. These questions are taken from actual LSAT Pretests, so you can be sure that they are representative of the questions you will see on the actual LSAT.

Each practice question is followed by a detailed explanation. These explanations will help you understand the correct answer and the reasoning behind it.

Benefits of Using This Book

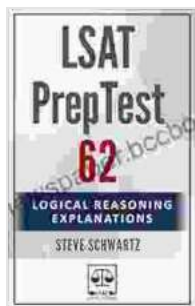

There are many benefits to using this book to prepare for the LSAT Logical Reasoning section. These benefits include:

* You will learn from the experts. The explanations in this book are written by LSAT experts who have years of experience teaching the LSAT. * You will get practice with hundreds of real LSAT questions. This will help you familiarize yourself with the types of questions you will see on the actual LSAT and develop the skills you need to answer them correctly. * You will improve your score. By following the strategies and practicing the questions in this book, you will improve your score on the LSAT Logical Reasoning section.
