As a family child care provider, you know that accurate and organized record keeping is essential for the smooth operation of your business. It helps you ensure compliance with regulations, track children's progress, communicate with families, and manage your finances effectively.

That's why we're excited to introduce the ninth edition of our comprehensive *Family Child Care Record Keeping Guide*. This indispensable resource has been fully updated and revised to reflect the latest best practices and industry standards.

Inside, you'll find everything you need to know about managing your family child care records, including:

- Creating and maintaining essential records, such as attendance sheets, daily logs, and immunization records
- Developing a system for tracking children's progress and sharing it with families
- Using technology to streamline your record keeping
- Ensuring compliance with state and federal regulations
- Managing your finances and keeping accurate books

Our *Family Child Care Record Keeping Guide* is written in clear and concise language, and it's packed with practical tips and strategies that you can put into practice immediately. It's the perfect resource for both new and experienced providers.

### **What's New in the Ninth Edition?**

The ninth edition of our *Family Child Care Record Keeping Guide* includes several important updates and revisions, including:

- New information on the latest regulations and standards affecting family child care providers
- Expanded coverage of using technology for record keeping
- Updated forms and templates to make your record keeping easier
- A new chapter on managing your finances
