Pocahontas And The English Boys is a captivating historical novel that tells the story of the legendary Powhatan princess and her encounters with the English colonists. This well-researched and beautifully written book offers a unique perspective on one of the most iconic figures in American history.

The novel begins in 1607, when Pocahontas is a young girl living in the Powhatan Confederacy. She is fascinated by the arrival of the English colonists at Jamestown, and she quickly befriends one of the young men, John Smith. However, their friendship is soon tested by the growing tensions between the two cultures.

As the conflict between the colonists and the Powhatan Confederacy escalates, Pocahontas finds herself torn between her loyalty to her people and her growing love for John Smith. She tries to broker peace between the two sides, but her efforts are ultimately unsuccessful.

In the end, Pocahontas is captured by the English and taken to Jamestown as a hostage. She is forced to convert to Christianity and marry John Rolfe, a wealthy tobacco planter. Pocahontas dies in England in 1617, at the age of 22.

Pocahontas And The English Boys is a tragic but ultimately hopeful story about the power of love and the importance of understanding different cultures. It is a must-read for anyone interested in American history, Native American culture, or the human condition.

Praise for Pocahontas And The English Boys

"A beautifully written and deeply moving novel that brings to life one of the most iconic figures in American history." - **The New York Times**

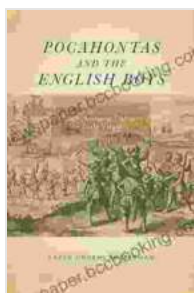

"A must-read for anyone interested in American history, Native American culture, or the human condition." - **The Washington Post**

"A captivating and well-researched novel that offers a unique perspective on the Pocahontas story." - **The Boston Globe**
