Snapsy the Alligator is not your average reptile. He's grumpy, he's sarcastic, and he definitely did not ask to be in this book.

But when a group of meddling humans decide to write a story about him, Snapsy finds himself reluctantly drawn into their wacky adventure. From riding in a hot air balloon to playing the drums in a band, Snapsy does everything he can to resist being the star of the show.

But despite his grumpy exterior, Snapsy can't help but find himself warming up to these humans and their ridiculous antics. He learns the value of friendship, the importance of embracing the unexpected, and that even the most reluctant of creatures can have a great time if they just let go.
