One day, Elian's life is turned upside down when he is attacked by a group of soldiers. He is captured and taken to the Nameless Republic, a tyrannical regime that rules the land with an iron fist. Elian is thrown into prison, where he meets a group of other prisoners who are fighting against the Republic.

Elian learns that he is not who he thought he was. He is the son of the late king, and he is the rightful heir to the throne. Elian must now embrace his destiny and fight against the Republic to free his people.
